TEHRAN HALTS PEACE TALKS WITH US AS ISRAEL EXPANDS LEBANON OFFENSIVE

WASHINGTON BOMBS IRANIAN MILITARY SITES OVER DRONE INCIDENT; IRAN TARGETS US SOLDIERS IN KUWAIT

DUBAI

Iran's Tasnim news agency said Tehran was suspending all exchanges with mediators in peace talks with the United States on Monday, blaming Israel's ongoing invasion of Lebanon. The announcement came as the United States said it had bombed radar and drone sites in Iran after Tehran shot down an American drone over the weekend.

could derail those talks.

In the meantime, Iran has maintained its chokehold on the Strait of Hormuz, disrupting global energy supplies and driving up the price of fuel around the world, with far-reaching consequences. A cargo ship came under attack off Iraq Monday afternoon, the British military said.

Fighting has also escalated between Israel and the Lebanese militant group Hezbollah, despite their nominal ceasefire. Israel has extended its occupation deep into Lebanon, and Hezbollah — which joined the war in support of its main backer, Iran — continues to launch drones into Israel.

US forces escorted 70 commercial ships through the Hormuz: Report

WASHINGTON: US armed forces have guided around 70 commercial ships over the past three weeks through the Strait of Hormuz, which remains a risky waterway since the US war with Iran began over three months ago, according to a media report. US Central Command has guided around 70 commercial ships through the strait, travelling into and out of the Persian Gulf, in the last three weeks, the New York Times reported quoting US officials.

US military attacks Iran

The US military's Central Command said it carried out strikes in Iran on Saturday and Sunday around the city of Geruk and on Qeshm Island, hitting air defences, a ground control station and two attack drones it said threatened ships in the region. The strikes were carried out in response to Iranian actions, including the downing of a US MQ-1 drone over international waters,

Central Command said.

Kuwait reports incoming fire

Kuwait said its air defences opened fire early on Monday morning to intercept incoming drone and missile fire.

Around the same time, Iran's Revolutionary Guard said it had responded to a US attack, without specifying where. In a statement carried by IRNA, it said US forces had targeted a telecommunications tower. AP

Israel orders strikes as Hezbollah launches fresh attacks

BEIRUT: Israel ordered strikes on Beirut's southern suburbs on Monday after accusing Hezbollah of repeated ceasefire violations, prompting residents to flee the area. The move came a day after Israeli troops advanced deeper into Lebanon and Hezbollah launched rockets towards northern Israel. Overnight Israeli strikes in southern Lebanon killed six people, while Israel said it intercepted projectiles fired from Lebanon. The escalation threatens efforts to sustain the fragile ceasefire and complicates negotiations involving Iran, which insists any wider truce agreement must also cover Lebanon. Talks between Israel and Lebanon are due in Washington on Tuesday.
