ILLEGAL HOME FOR MENTALLY ILL: EIGHT BOOKED, 4 ARRESTED

KRITHIKA SRINIVASAN @ Villupuram

THREE days after probing Anbu Jothi Ashramam - a private home for the mentally ill and destitute in Villupuram district police on Monday night arrested four out of the eight accused. The owners were hospitalised and will be arrested after discharge, while two workers are at large, police said.

According to the FIR accessed by *TNIE*, the accused persons were booked under IPC sections 344, 294 (b), 322, 323, 354 (A), 370 (3), 374, and 324 read with 89, 92 (b), 92 (c) of the Rights of Persons with Disabilities Act, 2016.

SASY (Social Awareness Society for Youth), a non-profit organisation demanded a probe into the owner's claims of cremating bodies. Owner Jubin Baby told TNIE that he would get these bodies from Mundiyambakkam GH and local police. TNIE tried to reach out to the then-dean Dr Kundhavai Devi but got no response.

Koteeswara Rao, a member of the Tamil Nadu State Mental Health Authority said any institution accommodating men-(CSR) with the local police sta-94441 38000," he said.

'Chinese' gas cylinder washes ashore in Nagai

Nagapattinam: Officials found an acetylene cylinder with Chinese writings on it shored up near the fishing hamlet in Nambiar Nagar, Nagapattinam, on Tuesday night. The coastal security group (CSG), however, tore down security threat scare by clarifying that the object is used for welding purposes alone. Sources said the shored-up cylinder weighed around 20 kilos and measured up to three feet. The CSG, after retrieving the object, took it to a safe location for further investigation. ENS

BrahMos export can get \$3bn in 3 yrs

Southeast Asia and Middle-East show keen interest in acquiring made-in-India missiles: CEO

RAMU PATIL @ Bengaluru

WHILE Prime Minister Narendra Modi set an ambitious target of \$5 billion to be achieved for India's defence exports by 2024-25 from the current \$ 1.5 billion, the BrahMos supersonic missile alone has the potential of achieving \$ 3 billion by 2026. BrahMos Corporation, which specializes in supersonic cruise missiles, is all set to spearhead India's export push as many countries—especially those in South East Asia and the Middle-East — have shown a keen interest in acquiring the made-in-India missiles designed and developed jointly with Russia.

The Indo-Russian Joint Venture which has significantly enhanced the war-fighting capabilities of the Indian armed forces, will start exporting the missiles to the Philippines by the end of 2023 and is confident of getting more export orders.

"Everyone is interested in BrahMos," CEO and MD of BrahMos Aerospace, Atul D Rane told *TNIE* on Tuesday. "The whole world looks at us, but we can only sell to countries agreeable to India and

Russia. Whole of Southeast Asia is approaching us. The Philippines came on board first. Middle-East is very inter-

ested," he added. Rane, who is also the Director General (BrahMos), Defence Research & Development Organisation (DRDO), said "BrahMos alone may be able to do around \$3 billion by 2026." "The Prime Minister has set a tough target, but we are making it tougher for ourselves," he said. BrahMos with a maximum range of 300 km is the export variant for land-, seap-, and air-based complexes. Its first export order to the Philippines is a shore-based BrahMos anti-ship weapon system. The deliveries will start from the end of this year.

Police say victim was depressed for past few weeks

THEY broke open the door and found him lying unconscious on the floor. He was rushed to a private hospital, where he is currently being treated.

After preliminary investigations, police said he was allegedly depressed for the past few weeks. Further probe is on. (Assistance for those having suicidal thoughts is available on Tamil Nadu's health helpline 104 and Sneha's suicide prevention helpline 044-24640050)

Adani, BBC documentary issues: Stalin says PM must answer

CONTINUED FROM PAGE 1

COMMENTING on the reply given by the PM in Parliament, Stalin said, "I learnt about speaking for hours without answering questions. Modi said people are his shield. But the people did not say that. Instead of responding to charges about Adani's issue or BBC documentary, his reply was filled with

mere wordplay. He did not answer DMK MPs' questions on the Sethusamudram project, NEET, state's rights, interference of governors, and the governor's delay in giving assent to the bill banning online rummy." On Modi's question on DMK aligning with Congress which dismissed its government, Stalin retorted, "Can Modi ask this question? BJP has aligned with the AIADMK which toppled the BJP government." The CM also charged that union budget has ignored Tamil Nadu and funds have not been allocated for establishing AIIMS in the state.

Stalin said a Supreme Court Bench headed by the Chief Justice of India is hearing the Adani issue. A detailed discussion should take place in Parliament Enforcement Directorate has

and a Joint Parliamentary Committee should inquire about it. Rahul Gandhi has raised pertinent questions. "But it is shocking to know that the PM did not answer any of them. Expunging the remarks of Rahul Gandhi and Mallikarjun Kharge is against democratic norms," the CM said.

On Modi's remark that the

brought all Opposition parties together on one platform, the DMK president said, "It is the confessional statement of the PM on the purpose for which the ED is being used. For the first time, he has admitted that he has indeed been wreaking vengeance on opposition parties. This is not good for the nation and for autonomous institutions.'

State introduces 'green tariff' for HT services

CONTINUED FROM PAGE 1

THE state has also introduced a renewable energy-based 'green tariff' for HT services. The green tariff would be an additional 10% over the HT category's respective tariffs.

The state also plans to develop a roadmap to electrify public and institutional fleets operating in the state.

Apart from electrifying vehicles of state transport undertaking through loan from multilateral agencies, state shall also

ing bus charging infrastructure for private operators.

Vehicular fleets of educational institutions such as schools and colleges and private bus fleets, including staff bus operators for industrial establishments, would be encouraged to embrace EV system in a gradual manner.
