# Core promises kept, BJP eyes devpt plank

## Rajnath-Led Panel Meets To Chart Poll Road Map

Akhil Singh  
@timesgroup.com

New Delhi: Defence minister Rajnath Singh on Thursday chaired the second meeting of BJP's 27-member manifesto committee even as PM Narendra Modi and other senior leaders are likely to release the poll manifesto for the 2024 Lok Sabha elections titled "Sankalp Patra" next week laying focus on the "Developed India" plank with emphasis on empowerment of women, farmers, youth and poor.

"Today the second meeting of the election manifesto committee was held at the central office of BJP. In this meeting, various topics and suggestions were discussed with a view to fulfilling the resolve of building a devel-

oped India under the leadership of PM Narendra Modi," Singh, who is the chairperson of the party's manifesto draft panel, posted on X.

Convener of the panel and finance minister Nirjala Sitharaman and her ministerial colleagues, Arjun Munda, Bhupendra Yadav, Ashwini Vaishnav, Arjun Ram Meghwal, Kiren Rijji along with senior party leaders Ravi Shankar Prasad, Vinod Tawde, Radha Mohan Agarwal and Manjinder Singh Sirsa attended the meeting. Gujarat CM Bhupendra Patel and UP deputy CM Keshav Prasad Maurya were also in attendance.

In line with the PM's assertion that his first two tenures were utilised to lay the foundation for a developed India and make it the third largest economy in the world, and the next tenure will be focused at attaining it, sources

said the party is likely to shed light in its election manifesto on the roadmap about its "Viksit Bharat" pledge by 2047 when the country will be celebrating 100 years of its independence.

The party has coined an acronym - 'GYAN' Garib (poor), Yuva (youth), Annadata (farmers) and Naari (women) - on whose welfare and empowerment it is likely to form a detailed plan of action.

After decades, the party will be releasing its poll manifesto at a time when its core poll pledges like Ram Temple construction, nullification of Article 370, implementation of CAA and UCC have been fulfilled. However, sources said the above promises could be incorporated in a chapter "Jo Kahaso Kiya" (we delivered what promised), the latest slogan of the party highlighting Modi's guarantee of delivering what he had assured.

# Court restores SC status of BJP leader Navneet Kaur

Amit Anand Choudhary  
@timesgroup.com

New Delhi: In a relief to BJP leader and MP from Amravati reserved constituency Navneet Kaur Rana just ahead of general elections, Supreme Court on Thursday quashed Bombay high court order by which her Scheduled Caste certificate of 'Mochi' was cancelled.

A bench of Justices J.K. Maheshwari and Sanjay Karol held that 2017 order of District Caste Scrutiny Committee which validated Kaur's caste claim as 'Mochi' was right and the HC inadvertently undertook an erroneous exercise of appreciating evidence and swayed itself into a roving inquiry which was not expected as per settled legal position.

"When the scrutiny committee which is principally tasked with the fact finding exercise for validation of caste claim, had applied its mind and reached a conclusion, then in such a situation, whether a roving enquiry by HC was required? It is well settled that high courts as well as Supreme Court should refrain themselves from deeper probe into factual issues like an appellate body unless the inferences made by the concerned authority suffers from perversity on the face of it or are impermissible in the eyes of law. In the instant case, the order passed by the committee reflects due appreciation of evidence and application of mind and in absence of any allegation of bias/malice or lack of jurisdiction, disturbing the findings of the committee cannot be sustained," the bench said.

Kaur was elected from reserved seat on the basis of the certificate which attested to her being a 'Mochi' which is Scheduled Caste in the state making her eligible to contest from a reserved seat. The court had in 2021 stayed the HC order, paving the way for her to continue to represent the constituency in Parliament.

# Modi vows jail for Sandeshkhali culprits, accuses TMC of graft

Rohit Khanna & Pinak Priya Bhattacharya | TNN

Kolkata/Cooch Behar: PM Narendra Modi assured Thursday that the "culprits of Sandeshkhali will spend their entire lives in jail", while accusing Trinamool govt in Bengal of failing Sandeshkhali's women, who accused local TMC leaders of sexual harassment.

During a Lok Sabha campaign rally in Cooch Behar, Modi also accused Trinamool govt of corruption and obstructing the implementation of development schemes initiated by the Centre. He alleged that BJP's political rivals were spreading misinformation about Citizenship Amendment Act (CAA), while reassuring the audience that those who have faith in "Ma Bharati" would receive citizenship. "This is Modi ki guarantee," the PM said.

Modi highlighted both corruption and Sandeshkhali to show how Trinamool was actively working against the people of Bengal. "The country has seen how the entire state machinery was used to protect the tormentors of Sandeshkhali. We have vowed to punish them," he said. "Trinamool is also trying to save those involved in

PM Modi & WB BJP president Sukanta Majumdar in Cooch Behar

the ration and teacher recruitment scams. They are trying to save those who duped members of Modi's family. That was your money and no one can look that. They are trying to stop the investigations. I say 'remove corruption'. They say 'protect the corrupt'. But their threats will not work with Modi. You will see more stringent investigations in the next five years," he promised. Modi asserted that 140 crore Indians are "my family".

The development that India had seen over the past 10 years was "just the trailer", he said, promising that 3 crore women from Bengal would become "Lakshmi Didis" in BJP govt's next term. "We freed Jammu and

## Cong, RJD joined hands in attempt to fight me: PM

Patna: PM Modi called out Congress and RJD on Thursday for "coming together in the name of fighting Modi", conveniently forgetting that their leadership would, not long ago, "demand jail terms for each other in corruption cases", reports Abhay Singh.

"Congress and RJD gave our country such a bad name - Congress with its failure to curb terrorist activity and RJD with its mishandling of the Maoist problem," Modi said during a campaign rally in Jamui, 165km from Patna.

"The world used to think we are a weak and poor nation. Terrorists from small countries that are now struggling to maintain their supplies of wheat used to strike at will. Successive Congress govts did little except seek intervention by other nations."

Modi's 30-minute speech also contained references to the "development successes" of three NDA govts in Bihar led by CM Nitish Kumar from November 2005 to June 2013, July 2017 to August 2022, and January this year till now.

# Officials: Grocery items among big pre-poll seizures this time

From P 1

Venkatesh Kumar, additional chief election officer, Karnataka, told TOI seizures show alongside the new freebies the old faithfuls are also being handed out - cookers, mixers, saris, churidars, dupattas and trousers.

Bidar, Shivamogga, Chikkamagaluru, and Kalaburagi districts top this inglorious list. Police haul of freebies in Shivamogga included grocery hampers of rice and ragi bags, salt and oil packets.

Per Venkatesh, "Groceries are big among the seizures this time. Groceries are packed in boxes and kept for distribution across various godowns." Obviously, there are no bills attached. Even Bengaluru district has

seen a spike in the use of groceries as voter inducements. Data accessed by TOI show Shivamogga's freebies include tomato sauce, Google TV boxes, tea bags, and scented tobacco. "We are uncertain if this is going to be used to induce voters or party workers, but hoarding

such huge quantities without proper bills is an offence," Venkatesh told TOI.

A huge consignment of pan masala packets weighing 4,000kg and worth Rs 10 lakh was seized in Bidar district. A senior election officer from Bidar said using pan masala as a freebie is unusual. The usual 'gift' is clothing. Chikkballapura police officials have seized 96 expensive watches costing Rs 24 lakh. "These watches are expensive and not easily available in the city...the cache is linked to an Andhra-based party," said a police official.

On March 22, police seized 203kg of sandalwood worth Rs 30 lakh in the Bellary constituency. An FIR has been filed. Of the 11 accused, four have been arrested.

# Times Network launches 'Election Yatra'

TIMES NEWS NETWORK

Mumbai: As India gears up to vote in the 2024 Lok Sabha elections, Times Network has announced the launch of Election Yatra, a mobile studio that will traverse the country.

A press release said Times Now's Election Yatra will travel across 38 cities in 9 states, including Delhi-Noida, Rajasthan, Gujarat, Maharashtra, Karnataka, Telangana, Andhra Pradesh, Tamil Nadu and Kerala covering 8,000km over a period of 40 days until the end of May. Similarly, Times Now Navbharat's Election Yatra will embark on a 60-day journey until June 4, covering the states of UP, Bihar, MP, Rajasthan, Delhi, and beyond. As part of the initiative, the two channels will do live broadcasts, host special debate shows and exclusive interviews, and encourage public participation, stated the release.

# Irani: Rahul ashamed of IUML support, so no Cong flag at rally

Wayanad: Union minister Smriti Irani on Thursday lashed out at Congress MP Rahul Gandhi by accusing him of being "ashamed" of party ally IUML as its flag was not shown during his road show in this hill district.

Irani, who was campaigning for BJP in the hill constituency where Gandhi is seeking a re-election, said if he was ashamed of the Indian Union Muslim League (IUML), he should reject their support.

The Union minister for women and child development, who had defeated Gandhi in Amethi in the 2019 general elections, also accused Gandhi of being silent with regard to the alleged misgovernance by the Left front in Kerala. "Scams in

## Congress so scared of BJP that it's hiding its own flag, says CPM's Vijayan

Attacking Congress for not displaying its party flag during Rahul Gandhi's roadshow in Wayanad on Wednesday, Kerala CM Pinarayi Vijayan said on Thursday that the party is "so afraid of BJP that it hides its own flag". "The most important thing we could notice was that the flag of their own party was not seen anywhere in the rally. There is a doubt as to why Congress is becoming a party which is not hesitant to hide even its own flag," he said at a press conference here, asking why the Congress flag has become 'untouchable' to its leaders. "Congress forgot even the brave patriots who suffered torture by British police while trying to uphold that flag," he said. TNN

cooperative banks in Kerala, mismanagement of state funds, the silence of Rahul Gandhi on these issues, especially the misgovernance of the INDI alliance partner - the Left front - speaks volumes. Rahul Gandhi would rather have power than have good governance," she alleged. Speaking to reporters after the filing of BJP state chief K Surendran's nomination, she said. PTI

# Gaurav Vallabh quits 'directionless' Cong to join BJP

Manash Gohain | @timesgroup.com

New Delhi: Gaurav Vallabh, for long the face of Congress's aggression on prime time television, joined BJP on Thursday in protest against the opposition party's attacks on wealth creators and boycott of the consecration ceremony of Ram Mandir as well as attacks by INDIA bloc parties on Sanatan Dharma.

"I am not able to feel comfortable with the directionless way in which Congress is moving forward today. I can neither raise anti-Sanatan slogans nor abuse wealth creators of the country in the morning and evening. That is why I am resigning from all posts and primary membership of Congress party," Vallabh posted on X in what marked the first public attack on Rahul Gandhi's targeting of "Ambanis and Adanis". Calling Congress's "anti-corporate" narrative dangerous for the nation, the economics professor said he felt stifled by the party's economic policies.

"Hundreds of unicorns are generating wealth for the country. They are generating for themselves as well but ultimately that wealth belongs to the nation. Are they sinning? Are they sinners? They are creating wealth with their capital and hard work. I cannot abuse wealth creators," he said. "The party is moving forward in the wrong direction," he said.

# Out of jail, AAP's Sanjay Singh likely to assume larger role in campaign

Atul Mathur | @timesgroup.com

New Delhi: Senior Aam Aadmi Party leader and Rajya Sabha member Sanjay Singh, who came out of jail on Wednesday after getting bail from Supreme Court, may assume a larger role in the poll campaign of the party for the upcoming Lok Sabha polls.

"An excellent orator and a 'crowd-puller', Singh is likely to be the main campaigner and speaker, along with Punjab CM Bhagwant Mann, in absence of party supremo Arvind Kejriwal, who is currently in Tihar Jail in an alleged money laundering case, sources in AAP said.

"With his fiery speech at the party headquarters within hours of his release from jail, Sanjay Singh showed what he is capable of. He knows the art of galvanising the party workers. His oratory skills are as good as some of the top political leaders our country has produced," said an AAP functionary.

"He will be the obvious choice for us to lead the campaign," the functionary added. Singh's release has come at a time when the beleaguered AAP is in the middle of its worst-ever crisis, triggered by the arrest of party's national convener and Delhi CM Arvind Kejriwal just ahead of Lok Sabha elections. It is likely to give AAP a much-desired boost just before the polls and rejuvenate the party cadre.

A part of opposition's INDIA bloc alliance, Aam Aadmi Party is contesting a total of 22 Lok Sabha seats spread across five states, including 13 in Punjab where it is going all alone. It has managed a seat-sharing arrangement with Congress in Delhi, Gujarat, Haryana and Assam, contesting four, two, one and two seats, respectively. While Mann is likely to lead the campaign in Punjab, sources said

# WB questions motives of PILs on Sandeshkhali

From P 1

The court directed advocate general Kishore Datta to submit all 43 FIRs and chargesheets related to Shahjahan and his aides filed until Jan 5, the day ED officials came under attack while trying to conduct a search at Sheikh Shahjahan's home in Sandeshkhali.

Datta also raised concerns about the influx of PILs, questioning their motives and labelling them as "political interest litigations" or "personal interest litigations". He urged HC to examine the timing and nature of these PILs, emphasising that they often emerged immediately after unfortunate events and vanished once the issue lost prominence.

Highlighting Sandeshkhali's historical significance, particularly its role in the Tebhaga movement before Independence, Datta questioned the silence of its residents in lodging torture complaints before Jan 5.

# Ball in Tesla's court: India on company's EV plans

BLOOMBERG  
4 April

The country's industry secretary said the ball is now in Tesla Inc.'s court to lay down its investment plans for the South Asian nation after the government cut import duty on electric vehicles.

The industry department last month released a comprehensive policy for boosting EV manufacturing in the world's most-populous nation. Following that move, it's up to Elon Musk's carmaker to "make the announcements of their manufacturing plans," Rajesh Kumar Singh, secretary of department for promotion of industry and internal trade, told Bloomberg in an interview on Thursday.

"We will help them out in terms of giving them the contacts at state level," Singh said. "There have been contacts made at that level with state governments and the central government. VinFast has already announced and we expect a few others."

Vietnamese automaker VinFast recently broke ground on an EV manufacturing facility in India's southern state of Tamil Nadu.

Tesla is planning to send a team of people to scout for locations in India this month for a proposed \$2 billion to \$3 billion electric car plant, the *Financial Times* reported earlier this week, citing people familiar with the matter that it didn't identify. Tesla would also look to increase purchases of auto parts from the nation to as much as \$15 billion, Bloomberg reported in November. Musk's carmaker has for years been making a case for cutting import taxes before it commits to any significant investment in one of the world's biggest automobile markets.

To get tax concessions, companies will have to invest at least ₹41.5 billion (\$500 million) and start producing EVs from a local plant within three

THERE HAVE BEEN CONTACTS MADE WITH STATE GOVERNMENTS AND THE CENTRAL GOVERNMENT. VINFAST HAS ALREADY ANNOUNCED AND WE EXPECT A FEW OTHERS"

RAJESH KUMAR SINGH, Secretary, DPIIT

that is now going up, it should be closer to 15 per cent by 2030, after which it will just snowball."

According to BloombergNEF estimates, some 96,000 passenger EVs were sold in India in 2023, nearly double a year earlier, and that could climb by another 40 per cent in 2024.

India's electric passenger vehicle market however has to date largely been driven by electric scooters, which are much cheaper. India also doesn't have very good EV charging infrastructure and the EVs that are on offer are mainly expensive.

years, India's government said in March.

Singh said on Thursday that the policy should help spur growth of EVs in the country.

"We expect it to lead to a

penetration of four-wheeler electric vehicles to at least 10 per cent by 2030," he said. "My view is that if we have these manufacturing units up and running, along with the battery infrastructure

## Tesla begins car production in Germany for export to India

REUTERS  
New Delhi/Berlin, 4 April

Tesla has begun production of right-hand drive cars at its plant in Germany for export to India later this year, three people aware of the company's plans told Reuters, as it moves ahead with a possible entry into the world's third-largest car market.

A team from Tesla is expected to visit India later this month to look at sites for a local car manufacturing plant that would require an investment of about \$2 billion, said two of the three people, who declined to be named because the plans are not public yet.

India last month slashed the import tax rate on certain electric vehicles if their makers invest at least \$500 million in the country and start production there within three years. The move is a win for Tesla, which had lobbied for months for lower taxes, but faced resistance from local carmakers.

"The right-hand drive cars which will be allocated

## Telangana courts EV giant

The Telangana government is holding discussions with Tesla by putting in all efforts to establish their plant in the state, Industries Minister D Sridhar Babu said on Thursday.

In a message on X Sridhar Babu said since December 2023 the state government has been actively focusing on major investment opportunities by

global giants, and as part of its focus, Tesla's planned investment initiatives in India are also being tracked.

"We have been studying and tracking Tesla's planned investment initiatives in India. We have been making all out efforts to bring Tesla to Telangana for some time..." he said.

to India, they have started building them," one of the people said, with some cars due to be shipped to India by the end of the year.

It was not immediately clear which model Tesla plans to export to India. It currently produces only the Model Y at its factory near Berlin. Under the new Indian policy, companies can import up to 8,000 cars a year at the lower tax rate.

Tesla did not respond to an email seeking comment outside US office hours.

The plans for shipments to India are the first

indication of right-hand drive (RHD) cars being produced in Berlin. Tesla's Shanghai plant, its primary export hub located nearer to right-hand-drive markets, such as Australia and Japan, has so far handled production of such vehicles.

Tesla imported RHD Model Y vehicles for its launch in the UK from China and has not said whether it has shifted to importing from Berlin. The carmaker has eyed the Indian market for years and its officials visited the country several times over the past year.

# X activates 'Community Notes'

Fact-checking type feature to curb misinformation

PRESS TRUST OF INDIA  
New Delhi, 4 April

Social media platform X (formerly Twitter) has expanded its 'Community Notes' programme to India, a fact-checking type feature that allows people to collaboratively add context to potentially misleading posts. The activation of 'Community Notes' programme in India comes at a crucial juncture when the world's most populous democracy is scheduled to hold Lok Sabha elections over seven-phases between April 19 and June 1. The results will be declared on June 4.

Elon Musk, the billionaire boss of X, in a post said, "Community Notes now active on India!" Welcoming new contributors in India, X's official 'Community Notes' handle posted, "Our first contributors are joining today, and we'll be expanding over time. As always, we'll monitor quality to ensure that notes are found helpful by people from different points of view."

According to information on the X's helpcentre, "Community Notes aims to create a better informed world by empowering people on X to collaboratively add context to potentially misleading posts." Contributors can leave notes on any post and if enough contributors from different points of view rate that note as helpful, the note is pub-

licly shown on a post. X described Community Notes as a collaborative way to keep people better informed.

"Contributors are people like you. Anyone on X whose account meets the eligibility criteria can sign up to help. All contributors start with the ability to rate notes, and over time, can earn the ability to write," the content on the sign-up page to join Community Notes read.

Notes are not chosen by majority rule. Community Notes identifies notes that are found helpful by and for people with different points of view.

"X doesn't choose what shows up: the people do," it said. To join the Community Notes pilot programme, the X account must have no rules violations on the platform since Jan 1, 2023; and at least six months on the platform. The eligibility criteria also calls for a verified phone number with a trusted phone carrier, adds that the number should not be associated with other 'Community Notes' accounts. Over the last months, social media platforms have lined up a slew of measures to combat misinformation, false news, and deepfakes and with polls just weeks away, the election integrity efforts too have been scaled up by big tech players who count India among their major market.

## Vedanta begins ops as mining resumes in Goa

PRESS TRUST OF INDIA  
New Delhi, 4 April

Mining in Goa resumed after a gap of six years, with mining major Vedanta commencing operations on Thursday at Bicholim mineral block in the state.

Bicholim Mineral Block is the first auctioned mine to become operational since 2018 when the Supreme Court imposed a blanket ban on mining in the coastal state, the company said.

The mining in Goa came to a grinding halt in March 2018 after the Supreme Court quashed 88 mining leases.

"Heralding a new era of inclusive development, Vedanta Sesa Goa commenced mining operations at Bicholim Mineral Block-Block 1 in the state of Goa," the company said in a statement. Vedanta Limited had in 2022 emerged as a successful bidder for the mining block which was auctioned.

Vedanta was the highest bidder with 63.55 per cent revenue for Bicholim Mining Block, spread over 485 hectares.

## Top four cement companies plan to add 42 mtpa in FY25

AMRITHA PILLAY  
Mumbai, 4 April

India's leading cement makers are on a capacity expansion spree. More than 42 million tonnes (mt) of additional cement capacity is expected to go onstream in the current financial year.

Earlier this week, UltraTech Cement announced the commissioning of 5.4 million tonnes per annum (mtpa) capacity, taking its overall capacity to 151 mtpa. This is part of the 21.6 mtpa the company has guided to commission in the current financial year. UltraTech's closest competitor, ACC-Ambuja Cement, according to company disclosures, will add another 11.6 mtpa of capacity in FY25. Further, Shree Cement and Dalmia Cement, the other two of the top four cement makers, also have capacity commissioning lined up.

Shree Cement on Tuesday announced that it has commissioned fresh cement capacity of 3 mtpa, six months ahead of schedule. According to analyst estimates, the company is expected to add 6 mtpa of fresh capacity for the full financial year.

Based on analyst estimates, the top four companies will add 42.1 mt of cement capacity in FY25. This is about 9-10 per cent of total volumes estimated as sold in FY24.

Email queries sent to the four companies remained unanswered at the time of writing this story. The rising capacity additions will strengthen market presence for the top four cement companies, from 40 per cent share in cement capacity in FY12, to 48 per cent in

### PECKING ORDER

Capacity additions (mn tonnes)

Note: Data excludes bulk terminals and under progress acquisitions, includes grinding units, integrated units, clinker plants.  
Source: Analyst reports, company presentations

FY23, and expected to reach 54 per cent by the end of FY26, as new capacities trickle in, according to estimates by rating agency CareEdge. India's cement sector is witnessing consolidation, marked by numerous mergers and acquisitions, resulting in a more concentrated market landscape, said Ravleen Sethi, associate director at CareEdge. "The consolidation is aimed at achieving economies of scale, increasing market share, and enhancing competitiveness in the industry," said Sethi. On cue of these rising capacities, three of the top four cement makers - UltraTech Cement, Shree Cement, Dalmia Cement - have brand ambassadors: actors Shah Rukh Khan, Sunny Deol, Ranveer Singh, appointed in the past few months.

However, these capacities are also going onstream amid challenges in increasing cement prices, coinciding with the country's General Elections, which could temporarily dampen construction activities.

## NCDRC dismisses 2015 plea against sale of Maggi noodles

AKSHARA SRIVASTAVA  
New Delhi, 4 April

The National Consumer Dispute Redressal Commission (NCDRC) has dismissed a 2015 complaint by the Department of Consumer Affairs (DoCA) against the sale of Maggi noodles, Nestle India said in an exchange filing on Thursday.

The DoCA alleged that the company had indulged in unfair trade practices by manufacturing and selling hazardous and defective goods to the public.

It further sought compensation of ₹284.55 crore and punitive damages to the tune of ₹355.41 crore from the company.

"The complaint filed by the Union of India, Department of Consumer Affairs in 2015... was dismissed by NCDRC in the favour of the company vide NCDRC's order dated April 2, 2024.

The copy of the said order was received by the company on April 3, 2024," Nestle said in the exchange filing.

Food Safety and Standards Authority of India (FSSAI) found excess levels of lead and monosodium glutamate (MSG) in Maggi noodles in 2015, following which several states banned the product. The company had pulled out the product from the market and destroyed over 35,000 tonnes of Maggi noodles. However, the ban was lifted five months later.

## GE Aerospace to invest ₹240 cr for Pune facility upgrade

GE Aerospace on Thursday announced its plans to invest over ₹240 crore (around \$30 million) to upgrade its manufacturing facility in Pune.

The investment will be used to add new projects and manufacturing processes in the facility by acquiring machines/equipment and specialised tools along with capacity enhancement of existing products, the company said in a statement.

Inaugurated in 2015, the Pune facility produces components for commercial jet engines.

"This investment helps us to continue our growth in aerospace in India, giving us the resources we need to meet increasing customers' demand," said Amol Nagar, managing director for GE Aerospace's Pune facility.
